

FRIENDLINESS. UNDERSTANDING. HARMONY.

Though these three words can mean the same thing, at Harmony they mean everything. They mean you'll find friendly, concerned professionals who are sensitive to everything you need—physically, culturally, socially and spiritually. It's why Harmony gives you the area's cleanest, coziest rooms. Choices of fresh ethnic and American cuisine. And stimulating activities that cater to virtually every culture.

And then there's our outstanding care:

- ✔ **Post-hospital rehab care** with therapy delivered by our top-notch in-house therapists.
- ✔ **Wound care** directed by a board-certified surgeon.
- ✔ **Alzheimer's and memory loss care** that improves quality of life.
- ✔ **Skilled nursing and long term care** delivered by a highly trained nursing staff with one of the industry's lowest turn-over rates.
- ✔ **Respite care** for a short-term stay.
- ✔ **Hospice care** that's compassionate.
